GIVE THANKS

Giving thanks for:

Thank God for the many individuals, groups and churches who hosted coffee mornings to raise much needed funds for our ongoing work last month as part of the Tearfund Ireland and Spirit Radio collaboration. Pray that many lives will be impacted and transformed as a result.

Thank God for the gathering of our Integral partners from across the world in Ireland last month. Please pray that together we may continue to respond quickly and efficiently in major emergency situations.

Join us in giving thanks for group from Donegal who had the opportunity to visit a number of Self Help Groups and meet their inspirational members in Ethiopia last month. Please pray for Sharan and Markus as they travel to Ethiopia to take part in a Self Help Group programme planning workshop with partners in the coming weeks.

WORLD NEWS

Please pray for:

Haiti - Hurricane Matthew is the worst hurricane to hit Haiti since 1954 and has caused catastrophic damage including widespread flooding, debris and landslides. Cases of cholera have already been reported, along with enormous water and infrastructure damage. Please pray for our partners as they bring help and aid to those in the worst hit areas.

South Sudan - pray for the people of South Sudan as the situation there continues to be volatile and uncertain. Pray for the families of those who have lost loved ones in the conflict, that they will know the comfort and provision of God.

Cambodia - Please pray for our partners in Cambodia, that those they work with will be inspired by biblical principles and will continue to set positive examples in their local communities.

Syria and Iraq - Pray for the people of Syria and Iraq as the conflict in the region continues. Pray for those who have been displaced by the conflict in the region as another winter sets in.

IRELAND

Please pray for:

Our partner Dandin Espina from the Philippines was due to travel to Ireland last month to bring an update about his work in the immediate aftermath of Typhoon Haiyan. Unfortunately we are still waiting for his Irish visa to be approved. Please pray that he will be able to come in the near future.

Thank God for all those participating in our annual Walk of Hope on Bray Head at the end of October. We were disappointed that Dandin was not able to join us as expected.

Please pray for the smooth passage of legislation due to go through the Dáil this month that will make it more difficult for traffickers to operate in Ireland.

Tearfund are hosting a conference in Ireland in December for a number of Inspired Individuals who are working to bring transformation where they are across the world. Please pray that the delegates will be able to get their Irish visas without any difficulty.
